# 3. Your Responsibilities

## 3.1 Duty of Disclosure

You must check that all information given by You, to Us, is true, accurate and complete. The questions We ask along with Your responses inform and influence Our acceptance of Your insurance, the premium We charge, and the terms and conditions applied to Your contract of insurance with Us.

If, at any time there is a change in the information **You** have previously provided **Us** with, or if **You** are in doubt about the questions **We** have asked, and the responses **You** have given, **You** must inform **Us** without delay.

If ever there is a change in information, or if **You** are in doubt, call **Us** on **1800 600 400**. Should any changes be made to this information, it may result in an adjustment to **Your** premium or **Policy** terms.

#### 3.1.1 Failure to meet your Duty of Disclosure

**Your** duty of disclosure applies throughout the contract period and failure to meet the duty carefully and honestly at all times may result in:

- a sudden change in cover, premium or terms,
- an invalid or cancelled Policy,
- no claim payment or reduced payment of a claim,
- difficulty buying insurance,
- breaking the terms of any relevant loan

We may revise the terms, conditions or benefits set out in this document but if We do We will give You written notice.

#### 3.2 When You have a claim

You must immediately notify Us of any event that may lead to a claim under Your Policy, regardless of whether or not a claim will be made.

Do not go ahead with any repairs (other than emergency repairs to limit damage) without **Our** approval. Where emergency repairs are carried out **You** must retain any damaged property for **Our** inspection.

Immediately advise An Garda Síochána or other relevant police authority about any incident of theft, attempted theft, deliberate or malicious damage or vandalism or loss by malicious persons. You must permit the relevant police authority to give **Us** any information and help which **We** may be entitled to.

**You** must notify **Us** as soon as **You** become aware of any possible prosecution or inquest in connection with any event, and send **Us** immediately on receipt and without answering it, every letter, claim, legal proceedings and every correspondence, communication or notice from the Injuries Board.

#### 3.3 Reasonable care

You must take reasonable steps to maintain and keep Your property in good condition.

## 3.4 Keeping Policy Terms

We will honour the payment under this Policy solely if You adhere to the following conditions:

- You have an obligation to respond truthfully and with reasonable care to all the questions We ask. The information You provided in the Statement of fact or any other document submitted by You for this insurance must be both accurate and complete. These documents will be considered a part of Your contract with Us.
- You and anyone making a claim on Your behalf must comply with the terms and conditions
  outlined in the Policy.
- It is Your responsibility to take all reasonable precautions to prevent accidents, injuries, illnesses, losses, or damages and maintain Your Home in good condition.

# 3.5 Paying by Instalments

If **You** are paying, or have agreed to pay, the premium by installments from a bank or building society account, **You** must keep **Your** payments up to date. If **You** do not, **We** will withdraw the option to pay by instalments and require **You** to pay the balance of premium in full or cancel the **Policy** (or both). Please see the section Cancelling **Your Policy** for further information on **Policy** cancellations.

# 3.6 Under Insurance

You are required to maintain Your Sum Insureds at all times, reflecting the accurate value of Your Buildings, Outbuildings, and Contents. The Buildings Sum insured should reflect the total cost of rebuilding Your Home and encompass the costs associated with debris removal after a loss, professional fees, and any additional expenses necessary to meet the current Building regulations.

Insuring the **Buildings**, **Outbuildings**, and **Contents** for their full value is a fundamental condition of this **Policy**. Failure to do so may result in reduced claim settlements, and **Us** applying the Condition of Average.

# 3.6.1 Condition of Average

This **Policy** is subject to a condition called Average. This means that **You** need to insure the full value of the **Buildings** and **Contents** and that claims settlements may be reduced if the **sums insured**, at the time of any loss or damage, are less than the full value.

If a **sum insured**, as noted on the schedule, is less than the full value of the **Buildings** or **Contents** at the time loss or damage occurs, then **the insured** person may be responsible for a part of their loss.

# 4. Governing Law

Unless agreed otherwise, the laws and exclusive legal jurisdiction of the Republic of Ireland will apply to Your Policy Payment

Any money paid under this Policy will be paid in Euro in the Republic of Ireland.

All appropriate stamp duties has or will be paid in accordance with the provisions of Section 5 of the Stamp Duties Consolidation Act 1999.

#### 4.1 Automatic Benefit

In case **We** make any changes to this **Policy** wordings, conditions, exclusions, or **Endorsements** during the **Period of insurance**, which result in improved, broader, or extended coverage without requiring an additional premium, **You** will automatically receive the benefits of these enhancements.

### 4.2 Autorenewal

If You are signed up for automatic renewal, Your Policy will automatically renew. We will automatically use the card or bank account details that We retain securely on file to charge You for the renewal premium due on the renewal date.

Your premium and the terms and conditions of Your Policy may change year on year. We will send You a renewal notice a minimum of twenty (20) working days before Your renewal date.

You have the right to cancel the automatic renewal of Your Policy at any time before Your renewal date. You must advise Us before the renewal date by phone or in writing if You do not wish to renew Your Policy.

We have the right not to automatically renew Your policy if We choose not to at each Policy renewal. We will send You a non-renewal notice a minimum of twenty (20) working days before Your renewal date

# 5. How your Policy works

## 5.1 Sum Insured

Your Contents and Buildings Sum insured represent the maximum amounts We will pay out for Your Contents and Buildings in the event of a single insured incident. Your Buildings Sum insured should reflect the total cost required to rebuild Your Buildings, whilst Your Contents Sum insured should reflect the total cost of all Contents at the insured address noted on Your Policy Schedule.

To help protect **You** against the effect of inflation **We** will inflate **Your Contents** and **Buildings Sum insured** with reference to the relevant index, when renewing **Your Policy**. If the index falls **Your Sum Insured(s)** will remain the same.

It is **Your** responsibility to ensure that **Your Sum Insured(s)** accurately reflects the complete reinstatement cost of **Your Buildings** and/or **Contents**.

## 5.1.1 Index-Linking

We regularly monitor various rebuilding and household goods indices and may annually update Your Building and Contents Sum Insureds using the index that provides the best protection against inflationary effects – We will inform You of Your updated Sum Insured at least 20 days prior to renewal. However, it's important to note that these updates don't consider the significant variations in customers' homes.

Therefore, **We** strongly advise **You** to calculate **Your** rebuilding costs based on the Society of Chartered Surveyors' guidelines and conduct an inventory to determine the replacement costs of **Your Home Contents**. Please call **Us** to adjust **Your Sums insured** according to this information. Please be aware that changes to **Sum Insured** will result in changes to **Your** premium.

For helpful guidelines, visit the Society of Chartered Surveyors' website at www.scsi.ie.

# 5.2 Cooling-Off Period

During the cooling-off period, which spans 14 working days from either the commencement of **Your Policy** or the receipt of **Your Policy** documents, whichever comes later, **You** have the option to cancel **Your Policy**. To do so, simply inform **Us**, providing **Your Policy** number, and **We** will proceed with the cancellation. **We** will calculate the premium for the duration during which **You** were insured and refund the remaining balance accordingly.

#### 5.3 How to pay Your Excess

For each and every claim **You** make under **Your** policy, **You** are required to pay an **Excess**. **Your Excess** will be the combined total of:

- the basic Excess amount You chose as stated in Your Policy Schedule, and
- any applicable additional Excess as noted in Your Policy Schedule

Only one basic **Excess** is payable even if your claim includes other **Policies** covered by OUTsurance. If this is the case, the highest basic **Excess** will be payable. The **Excess** is the amount **You** must pay in relation to each and every claim made under **Your** policy. The **Excess** will be shown on **Your Policy Schedule**.

No Excess will be payable for: Emergency Home Assistance

# 5.5 Authorised Persons

In situations where there are multiple individuals named as insured/authorised on this **Policy**, and **We** receive instructions from one of the named insured/authorised persons, **We** will consider it as if each insured/authorised person has given **Us** the same instructions, and all insured/authorised individuals are in agreement and consent to those instructions. **We** will accept the instructions at face value, i.e., without verifying whether all insured/authorised persons and the instructing individual are in agreement on the matters pertaining to the instructions provided.

## 5.6 OUTbonus

For more information regarding Your OUTbonus, please see Your OUTbonus terms and conditions.

## 5.7 Cover Period

Cover purchased in advance starts at 12:00 am on the policy start date and ends at 11:59 pm on the policy expiry date. However, if **You** opted for cover to start on the same day **You** purchased a policy, the period of cover will only start from the time that **We** successfully received the premium payment.

# 5.8 Cancelling Your Policy

To cancel the **Policy**, please advise **Us** by phone or written communication. **We** will refund premium on the following basis:

- If You request cancellation within 14 working days of the date upon which We inform You
  the Policy has been incepted or the date You have received Your Policy documents, We will
  refund based on the unused days left to run on the Policy.
- If You cancel after the cooling off period, We will issue a refund based on the unused days left
  to run on the Policy, less a cancellation fee detailed in Our Terms of Business, provided You
  have not claimed or been involved in any incident likely to result in a claim during the current
  Period of insurance.

**We** will not refund **Your** premium if **You** are paying it under an instalment scheme (unless **You** made an overpayment).

**We** may cancel this **Policy** by giving You 10 days' notice in writing providing **You** the reason or reasons for the cancellation. Upon cancellation of **Your** contract of insurance, **We** shall repay **You** the balance of the premium for the unexpired term of the contract.

# 6. Our Rights

# 6.1 In the case of misrepresentation and fraud

# 6.1.1 Negligent Misrepresentation

In the event of negligent **Misrepresentation** leading to a claim, **We** retain the right to take the following actions:

- a. Consider the contract void and refund Your premium if We would not have entered into the contract under any circumstances
- If We would have entered into the contract under different terms, We may consider the contract as if those alternative terms apply
- c. If We would have entered into the contract at a higher premium, We may proportionately reduce the amount to be paid for any claim.

If negligent **Misrepresentation** occurs without resulting in a claim, **We** may terminate the contract by providing reasonable notice to **You**.

#### 6.1.2 Fraudulent Misrepresentation

In the event of a claim and if any answer provided by **You** involves a fraudulent **Misrepresentation** or any fraudulent conduct on **Your** part during the contract formation process, **We** reserve the right to void this insurance contract.

Our Recovery and Salvage Rights If a third party is responsible for the damage, we reserve the right to recover those payments. We have this right to subrogation from the first notification of Loss. Additionally, in cases where the insured property is considered a total loss and we settle the claim, the property becomes our possession, and we may take control and dispose of it.

#### 6.2 Dual Insurance

Where any other insurance has been in force providing cover for the same property, **We** will refund **Our** rateable portion of the premiums paid to **Us** provided no claims have been made under this **Policy**. If, at the time of any incident which results in a claim under this **Policy**, there is any other insurance covering the liability, loss or damage **We** will only pay **Our** rateable portion of the claim.

#### 6.3 Retention

We may hold back a percentage of the agreed claim amount until the rebuilding or repair work has been completed. The amount retained is:

- 10% of the claim settlement amount, for claim settlement amounts at or above €40,000
